**“Sunday 5th May** after the fellowship meal, Simon Ladd will be guiding us through the Growing Churches Revitalisation process. This will include asking each of us for thoughts on where our church is right now, where we would like to be in the future, and what we see as our strengths and where we need to improve.

We are planning to **start at 1:30pm** and hope to be finished by **3:30pm**

For this to be of help to the church, we need the input of as many people as possible, **so please make every effort to be there.”**

**“On the 28th September**, we are planning a church day away. We would like to encourage everyone to come and join together and enjoy teaching and fellowship. For all who can come, there will be a contribution of 5pounds per person towards the cost of putting on this event. We will be meeting at the Tove Valley Centre in Towcester ( <https://www.tvbf.co.uk/tvc> ). We will give further details near the time.”

If you have anything to add to the News Letter, please contact Nancy.

Thank you to everyone who contributes to the practical running of the Church including the book collectors
